Dinosaur World

They roar ... they walk ... you can ride them and climb them! Yes it's true! At Egypt's first ever dinosaur park with life-sized moving creatures we have 40 different 'Dinos' from the days before time began. Take an exciting and scary bicycle ride through our land of dinosaurs as the huge creatures roar - you can even see them lay eggs! And there's so much more ... sail a galleon ... shoot at the sharks ... ride the carousel and coaster ... and drive the 'Crazy Car' through Dino's exciting prehistoric land.

Candy World

Join Candy in a wonderful world of fun for younger children. Kids from two up to eight years will delight in their own thrilling ... riding the helicopter and shooting bazookas or discovering outer space. If you want to be Tarzan then climbing the crazy tree will make you the hero of the jungle! The 'tots' will love our soft play area, relaxing on the teddy bear bed or 'buzzing' around as they ride a bee. Be part of Candy's world in the Candy House and bounce with friends in the jumping house. And there is so much more to put a magical spell on the little ones - riding Nemo, playing with the octopus, spinning with the mushrooms and flowers and sliding through tubes.

Auto World

No-one is too young to drive at Auto World! So jump into the cars and race away. We have go karts and bumper cars ... and you can race and chase your friends in our laser car. Drive through our fantastic jungle world, or dash into the tunnels as you steer your car in and out of daylight and darkness. So exciting! Drive around the world, to see the famous places and landmarks on Diesel's international adventure to help you learn about other countries. And our incredible 5D cinema will get your heart thumping with Dino and car racing movies.

The best of four worlds

Come to Fun Valley for a smashing 'splashing' time in our fantastic Water World. Sharky loves it - and you will too. If you are ready for adventure then be the captain of your own ship and sail the seas looking for treasure and excitement. Shoot water guns in a battle with your friends, splash through the pools and skim down so many water slides, play under the fountains and charge through the splash pads. Be a 'pirate' in the inflatable water park with galleons, statues and more incredible slides.
